Personnel employed by Centrum Doradztwa Rolniczego (Agricultural Advisory Centre) and Regional Agriculture Advisory Centres – total 48:

- ▶ 3 national coordinators,
 - ▶ 21 regional coordinators operating at regional level,
 - ▶ 5 innovation brokers at national level,
 - ▶ 19 innovation broker at regional level.
-
- ▶ Additional Staff for administrative support operating at national and regional levels.

Date Bases

The following date bases has been established;

- ▶ Partners of SIR (729 as of January 2018),
- ▶ Examples of innovative solutions as applied in agriculture, forestry and rural area - 88 records,
- ▶ Results of research and development activities – 22 records;
- ▶ Projects implemented by partners of National Rural Network – 7 records;
- ▶ Projects implemented by Operational Groups (Measure Cooperation).

Example of projects of Operational Groups

- ▶ Soya in kujawsko-pomorskie and wielkopolska regions – innovative approach at farm level to production and feeding.
- ▶ Partners: Lechpol company of Szubin, farmers, soya producers from two regions, University of Science and Technology of Budgoszcz and, Kujawsko-Pomorski Regional Agricultural Advisory Centre in Minikowo.
- ▶ Application submitted to ARiMR (ARMA - Paying Agency)
- ▶ Goal: promotion of soya as one of leading plant production growing in two regions to reduce import of GMO modified soya meals.
- ▶ Applied approach – to increase farms income through development of new variety of soya and guidelines for production based on field tests and processing for feedstuff for animals.
